Subject: CB2 - You e-mail inquiry of July 25, 2014 regarding Joseph Conley

Dear Mr. O'Reilly:

I am responding in my capacity as Chairperson of Community Board No. 2 ("the Board") to the e-mail you sent to Community Board No. 2 last Saturday.

Mr. Conley is a Public Member of both the Land Use and Transportation Committees of the Board, both of which positions I appointed him to. In all other respects, he enjoys the same status as any other member of the public with respect to Board functions and meetings.

I am uncertain of the scope or purpose of your inquiry, but would be happy to discuss them with you. If you would like to do so, please forward your telephone number and I will get back to you.

Dear Sir/Madam,

Please inform me by return email of the current status of Joseph Conley (former CB 2 Chair and Member) with regard to Queens Community Board 2. Does Mr. Conley have a status beyond the status that any member of the public enjoys with respect to Board functions and meetings, including meetings of sub-committees? If so, please provide documents from Board files, including without limitation, email communications to or from Board officials and members, regarding Mr. Conley's current status with respect to Community Board 2.

I would appreciate acknowledgement at the earliest possible time of receipt of this email and a projection of when the information requested will be provided.

Thank you,
