District Manager  
Community Board 3

Dear Ms. Reid,

I am doing an analysis of Community Board operations in Queens. I have come across sections of Community Board by laws which provide for appointment of public committee members to Board committees who are not members of the Community Board. I have quoted one such provision below. Does CB 3 have the same or similar provision in its by laws, are there public committee sitting on CB 3 committees, if so, which committees and the name of the public members? I appreciate your past cooperation and timely responses. If necessary, please consider this as a FOIL request. If you have questions about this inquiry, please let me know by email and I will call your office.

Persons with a residence or significant interest in community who are not members of the Board may be public committee members, and shall be entitled to vote and be counted as a quorum for the committee.

Regards,  
John O'Reilly
