John,

Please see article VII - Committees. Right now we do not have public members on committees.

Thank you,
Florence Koulouris
CB1, Queens

Subject: Inquiry re: Public Board Committee Members

Florence Koulouris
CB1, Queens

Dear Ms. Koulouris:

Thank you for providing the draft Board minutes pursuant to my request.

I am doing an analysis of Community Board operations in Queens. I have come across sections of Community Board by laws which provide for appointment of public committee members to Board committees who are not members of the Community Board. I have quoted one such provision below. Does CB 1 have the same or similar provision in its by-laws, are there public committee sitting on CB 1 committees, if so, which committees and the name of the public members? If necessary, please consider this as a FOIL request. If you have questions about this inquiry, please let me know by email and I will call your office.

Persons with a residence or significant interest in community who are not members of the Board may be p committee members, and shall be entitled to vote an be counted as a quorum for the committee.

Regards,
John O'Reilly
